INTRODUCING THE
GOVERNANCE, RISK AND COMPLIANCE SERVICE

87% of organizations believe they have a mature program
Only 8% have measurements in place
75% say a lack of automated retention is one of their biggest challenges

Simplify the complexities of information compliance while reducing risk and cost.

With the Governance, Risk and Compliance service, you have immediate access to an online records retention schedule, a risk assessment tool and an educational curriculum to train employees. Taken together, you can leverage these tools to create a culture of improved compliance and action.

**IRON MOUNTAIN® POLICY CENTER SOLUTION ESSENTIAL EDITION**

Gives you immediate access to an online records retention schedule, powered by granular legal data that’s updated annually, covering general business functions.

**WHAT IT MEANS TO YOU**

You’ll stay current with applicable rules and regulations. You’ll know the categories of information to be retained and for how long, so you can better control inventory costs.

**INFORMATION RISK ASSESSMENT**

A diagnostic tool developed in partnership with customers like you that assesses your risk controls across best practice categories.

**WHAT IT MEANS TO YOU**

You’ll have visibility into where you have strong controls in place and where you have areas for improvement, so you can take action.

**INFORMATION ECONOMICS ACADEMY**

Provides you a curriculum of e-learning courses focused on current and emerging information management and governance topics.

**WHAT IT MEANS TO YOU**

You’ll have a way to increase organizational information governance knowledge to positively impact your culture of compliance.
