*Our most popular box types are Model 2000 and Letter 450

**BUILT-IN HOLE FOR ZIP TIE**
› Added level of security
› Additional protection of your information
› Zip ties sold separately

**THREE-INCH LID**
› Additional durability during transportation and storage
› Won’t warp or blow off

**PRE-APPLIED RFID LABEL**
› Easier path to inventory audit with no line of sight required
› RFID chip pre-associated with barcode
› Tight integration between core system of record and RFID application
› RFID labels also sold separately for non-RFID-ready box types
ORDERING IS EASY
Order boxes through your trusted carrier or your online Iron Mountain Connect™ hub and receive on-the-spot delivery for most box types. Iron Mountain boxes will come with an RFID label pre-applied (RFID-ready) or an RFID label will accompany the box, both at no additional charge. You can also purchase RFID labels to affix to another box type (non-Iron Mountain box). All new inventory must have a RFID label.
